RE: Papal Visit  
DATE: September 5, 1995

---

David Gibson, the religion editor of the Bergen Record called and wants to speak with you about the importance of the papal visit to Newark and what the city is doing to prepare for John Paul II (will get the information from the cops and neighborhood services). Also, he is doing a profile on Archbishop McCarrick and wants to talk to you for the story.

\* 600 Newark cops on duty for Pope (they expect one half million people at Sacred Heart). Near Sacred Heart and also at outer ring--Bloomfield Avenue, Summer Avenue, Roseville Avenue--to facilitate traffic flow. Police will have surveillance around the Cathedral several days prior to the Papal visit and several days after--to make sure there are no problems, no demonstrations. Security is tighter than for a Presidential visit.

Three police boats will also be on the Passaic River because, while the route is not being given out (per Secret Service), it will be over water.

UMDNJ will have two temporary hospitals set up in Branch Brook Park, which will be closed to vehicles during the visit.

Massive clean-up of entire area by Neighborhood Services

County responsibility of Branch Brook Park  
State cleaning Pre 280, 21, etc.
